

Get to Know My Child

A note from the family to the teacher — please keep this with your class records.

CHILD'S NAME

NAME THEY PREFER

GRADE / CLASS

What should I know about your child that won't be in their file?

What's hard for them right now?

What are they proud of?

How do they respond when something is difficult?

What comes easily to them?

What helps them settle?

Anything happening at home I should know about?

Only what you're comfortable sharing.

Anything else?
